Swindon Mind are now delivering Youth Mental Health First Aid

As one in ten children will be diagnosed with a mental health disorder before the age of 15 (ONS) it is vital that we learn the skills to help. Youth Mental Health First Aid is a 2 day course designed to train everyone who works or lives with young people aged between 8-18 how to support their mental health, provide help in an emergency and guide them towards the appropriate support.

For more information, to book on to a course or to discuss an in-house course for your organisation please contact us on the details provided.
